Bachelor of Science in Earth Science with option in
- Environmental Geology
- Geochemistry
- Geology
- Geophysics
- Hydrology
- Petroleum Geology

Bachelor of Science in Environmental Science with option in
- Biology
- Chemistry
- Geology
- Hydrology
- Instrumentation and Measurements

Graduate Certificate in
- Hydrology Master of Science in
  - Geochemistry
  - Geology
  - Geophysics (Solid Earth)
  - Hydrology
  - Hydrology with option in Petroleum and Geofluids

Doctor of Philosophy in Earth and Environmental Science with Dissertation in
- Geobiology
- Geochemistry
- Geology
- Geophysics (Solid Earth)
- Hydrology

Details are in the College Catalog.
